

🌟 Are you ready to put your properties on autopilot? 🌟

We are thrilled to announce that our partners from Tokeet have officially launched AdvanceCM, the first AI-native property management platform designed for multi-rental & large scale businesses! 🚀

AdvanceCM is designed to streamline your operations and enhance guest experiences with powerful features like:

- **Autopilot**
- **Unified Inbox**
- **Review Management**
- **Smart Device Integration**
- **Rate Automation**
- **Task Management**
- **AI**

We invite you to explore how AdvanceCM can transform your property management experience. Sign up for a **7-day free trial** by booking a demo here: [Link in first comment]
